

Southern Winds International
Mickey and Staff

Dearest Southern Winds International staff:

I would like to take this opportunity to thank you all for your wonderful service during my recent move. You guys went above and beyond the call of duty in assisting me with my relocation. I have to apologize for the delay in getting this letter to you, things have been "crazy" since my move to Alaska.

Your staff was courteous, responsive, timely and a pleasure to work with. Mike, Dave [redacted] were my packing staff in California, and they were some of the nicest guys I have ever met! Of course, Mickey is the one who coordinated the effort and she did a wonderful job as well. If any of you come to Anchorage, please look me up and I will take you fishing.

Another point I would like to commend Southern Winds on was the quality in which my items were packed and inventoried. Everything arrived and nothing was broken!!

I would be happy to recommend Southern Winds International to anyone who is moving! You are a step ahead of the competition and I would use you again for all my relocation needs.

Best wishes and thank you again!
